

**Indigos Society** is a non-profit, registered society formed in the year 2007. It advocates for people-centered development Plans and Policies. The projects, campaigns and strategies believe in **peer education** and making every individual an ambassador.

### **Mission**

- Responsible & Sustainable Development through art, culture, Tourism and Social development.

### **Vision**

- Social development through Education & Health for all.

### **Organization structure**

- Indigos Society is an initiation of seven young people from different arena, countries and social systems with a common dream. This association is at infant stage but has gained lots of confidence in the society and willing to open and welcome like minded volunteers to contribute towards our Mission.

### **Scope of Projects & activities**

- Development by creating education, health and social awareness
- Sustainable development
- Responsible Tourism
- Develop, promote and exchange art, culture & Tourism
- Social upliftment of artists, artisans & local community
- Create awareness on social responsibility

### **Support**

- Indigos Society is a non-profit association; it depends generally on the financial assistance from its members and moderately from the government of Pondicherry.

**We welcome volunteers & professionals to contribute.** Please do contact us to know more on our programmes.
